STEPS OF ACTION (audio CD) \$20.00

This 4 audio tape cassette package contains four 45 minute discussions of the biblical approach to solving problems that pleases God and demonstrates Christlikeness.

There is an accompanying flyer enclosed in the holder that gives clear and precise material for continued review and application. This is highly recommended for folks who have had a life pattern of never being exposed to solving problems God's way, so have continued to unsuccessfully attempt resolution in their own ways. Some of those old patterns have been learned from parents, peers, personal human experience and a myriad of other resources. Those patterns will have been proven ineffective, however, since they lack biblical structure, boundaries and controls.

Dr. Collins recommends listening to 1 tape each day for several days, then repeating the process with the other 3 until all have been heard. She recommends a listening review of all 4 tapes each month on a long- term basis, and urges that a personal accountability system be in place with a godly believer of the same sex (Ecclesiastes 4:9-10, Romans 13:14).

TO GLORIFY GOD (revised 3rd printing edition) \$11.95

This black and red wire-bound book is designed to address deeper issues of biblical counseling from the perspective that our one goal is to glorify God...and that is accomplished as we are individually and progressively conformed to Christlikeness. That subject has been addressed in a building-block fashion to include salvation, study of the Scriptures, prayer, personal communication, bearing spiritual fruit, interpersonal relationships, suffering, grieving, dying, and effecting biblical change.

This 3rd printing edition is wire-bound to facilitate study and use in discipleship ministries.
